# CUTLASS CIERA BROUGHAM SEDAN

A new style and elegance of its own. A careful attention to quality and detail. It's a tasteful experience that has you feeling right at home.

Cutlass Ciera Brougham Sedan.

**Brougham luxury in the first front-wheel drive Cutlass.** At Oldsmobile, we believe that a front-wheel drive car should do a lot more than hold the road. It should hold your attention.

It should hold your attention with elegance that surrounds you. With seats that are full-foam, deep and comfortable. With rich knit velour fabrics, that are soft and luxurious to the touch.

Outside, Cutlass Ciera Brougham holds your attention with clean, aero-

dynamically efficient shape—tested in a wind tunnel, and bred for the open road. It can slip through the wind as easily as it slips past gas stations. It offers impressive fuel economy estimates\*—with standard 2.5 litre L4 engine or available 2.8 litre V6. For top Cutlass Ciera economy, a 4.3 litre Diesel V6 is available.

Cutlass Ciera can hold your attention with quality. It is a product of the latest technology.

It will hold your attention with built-in

value, too. Power steering, power front disc brakes, automatic transmission, side window defoggers, full-wheel covers, deluxe steering wheel, headlamp-on reminder even a quality Delco AM radio and more—all standard.

From holding the road to holding your attention, the stylish front-wheel drive Cutlass Ciera can do a whole lot more than just hold its own.

## CUTLASS CIERA LS SEDAN

Let others settle for copies. You feel more comfortably at home—with an original. Sure, there are a lot of front-wheel drive cars around today. But only one is an Oldsmobile Cutlass! In the LS Sedan that means family-size room and four-door convenience. It's a Cutlass original you can value for a long, long time.

## CUTLASS CIERA LS COUPE

Fit and trim. A new look and style that are right at home for the long run. The front-wheel drive Cutlass Ciera LS Coupe is every bit as agile as it is beautiful. And it is meant to go the distance. It has been designed and built with the latest in automotive technology.

## CUTLASS CIERA ES SEDAN

Grab a handful of sport wheel, slip the automatic to drive. Excitement by ES, where you're right at home. The available ES package quickens the pulse as easily as it turns heads. Black grille and moldings add sophistication, while those styled wheel discs add distinction. Special suspension, custom sport steering wheel, sport console with shifter, full instrumentation and more—all included.

## CUTLASS CIERA ES COUPE

A fresh look and invigorating spirit. An adventurous attitude that has you feeling right at home. Behind the wheel, that's where you discover the real thing. Do it. Settle into the reclining front bucket seat. And move out. Distinctive black grille, styled sport wheels, custom sport steering wheel, sport console with shifter and more—all part of the available ES package that helps whisk you away from the ordinary.
