

1984 OLDSMOBILE CUTLASS SUPREME

CUTLASS CALAIS COUPE

You know from the style, grace and unequalled track record that this is a thoroughbred.

This is a most luxurious Oldsmobile Cutlass, with deep-cushioned seats that comfort and support. With rich velour fabrics so soft to the touch. Impressively elegant to be sure. But its feeling of pride comes equally from its practicality. Because like every new Olds Cutlass, Supreme Brougham is a total value car. It is that delicate balance of style and value that helps make Olds Cutlass so popular.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their supplies. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.
