

1984 OLDSMOBILE NINETY-EIGHT REGENCY

98 NINETY-EIGHT REGENCY SEDAN

A night on the town.
It takes a special
car that fits the
mood, the place
and the people.

There are those special places and special occasions that demand a special kind of car. The Ninety-Eight Regency Brougham Sedan. Smooth and sophisticated. Elegant and understated. Thoroughly at ease in fine surroundings. It makes for both a dramatic entrance as well as exit. The next time there's a special affair, look around you. You'll find other Regency owners enjoying that same feeling of pride.

LOOK AT GM TODAY

A lot of new thinking has gone into GM products. New thinking aimed at completely satisfying you. Our products are designed to slip through the wind with energy saving ease. Optic scanners and robotics are used to build a new kind of precision. From foundry to assembly, our people use lasers

and gamma rays to monitor the building process. At GM, we are determined that when you buy our product, you'll be more satisfied than the buyer of any other vehicle, built by any other manufacturer anywhere in the world. Today, we are making history in aerodynamic design, quiet rides, fuel economy and more. Leaf through this catalogue and you'll see what we mean. At GM, our products are changing. So, is our thinking. *Look at GM Today.*

You know what it takes to make things right. For you the "thinking man's luxury car" makes sense.

Sure, you like impressive lines, but what about the bottom line, the price line? Are you getting what you pay for? You like lavish interiors, but what about quality and solid engineering? Good performance, of course, but what about economy? The more you think about these things, the more a Ninety-Eight Regency makes sense. Why not get all the facts at your nearest Oldsmobile dealer?

While there are many service contracts available on the market today, there is only one which gives you an agreement directly with General Motors. It is the one with the Continuous Protection Plan logo shown above. This logo on all Plan material assures you that the service contract you are buying is the GM Plan, we believe the finest such program available to GM owners.

The GM Continuous Protection Plan provides additional protection during and after the new vehicle limited warranties. Ask your General Motors dealer for details and information about the genuine GM Continuous Protection Plan.

A word about assembly, components and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their suppliers. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

Please note that certain optional equipment can be ordered only in conjunction with other optional equipment. Also, upgrading from specified standard equipment may be necessary when certain optional equipment is ordered. Ask your sales representative for details.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you order or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your dealer for complete information.

A word about engines

Some Oldsmobiles are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.
