CUTLASS CIERA
CUTLASS SUPREME
CUTLASS CRUISER

Oldsmobile Quality.  Feel it.

“...to build one carriage
in as nearly perfect a manner
as possible...”

R.E. Olds, 1897

Every Oldsmobile that comes down the assembly line has our reputation riding on it. And we know it.

Car after car. Day after day. Since 1897. Over 27 million Oldsmobiles in all.

As America's oldest car company, our reputation means everything to us. We have a longstanding tradition to uphold.

So when you buy a new 1987 Oldsmobile, you can expect to find outstanding levels of quality—quality you know is built in, quality you can see and feel.

LET'S START FROM SCRATCH, AS WE
FOLLOW AN OLDSMOBILE DOWN THE LINE.

First, technology goes to work, as robotic welders apply thousands of precisely located welds to each body to ensure structural integrity. Strong and tough.

A computerized dimensional inspection system then verifies critical points for absolute accuracy, while robotic scanners measure dimensional exactness to 2/1,000 inch. Lasers and optic scanners inspect all body openings. That's quality... precise and accurate.

The body itself, of tough zincmetal and galvanized steel, is further protected by rust-resistant primers, plus hot melt wax clips on many models. That's quality... lasting and durable.

Then, automatic sprayers apply a tough multicoat/high-gloss enamel finish to many models. It is so lustrous and has such a deep sheen, the quality comes shining through.

The interior takes on form and substance with the addition of the full-foam seats and elegant velour fabrics. Meticulous. Seam after seam, stitch after stitch. That's quality you can see.

Oldsmobile's impressive ride and handling also take shape with the addition of one of several driver-tailored suspension systems.

Finally, a rugged, dependable engine—L4, V6, V8—fuel-injected or carbureted. For 1987, some engines have been

re-engineered to deliver a smoother operation and responsive performance. You'll feel the quality every time you turn the key.

TAKE THE WHEEL, AND GET THE QUALITY FEEL.

Choose the Oldsmobile model that is just right for you and your driving needs. That won't be a problem because Oldsmobile is offering 31 stylish models for 1987.

Then ask your Olds dealer for the keys, and take it for a test drive. In just a few blocks, you'll discover all the quality we've been describing here, quality you can see and feel and enjoy every mile you drive.

Oldsmobile Quality.  Feel it.

CIERA CUTLASS

You remind me of me.

*It all started out so simply. A phone call. A quiet meal.
And then that special show we always wanted to, but never had the time to see.
Who would have thought two people on a first date would find so much in common.
Even down to the style and color of the cars they drove.*

CUTLASS CIERA SL COUPE

Oldsmobile Quality.  Feel it.

The times demand quality, and one of America's favorite midsize cars, Cutlass Ciera, delivers it in stars.

Gaze inside and you'll see the kind of quality Olds is famous for. Beautiful tailoring surrounds you from head to toe. Press

down on the divided bench seating upholstered in thick, rich, Paris knit velour. Or, if your taste prefers leather, choose the available Sierra grain in the seating areas on Cutlass Ciera Brougham and Cutlass Ciera SL.

Star quality continues with Cutlass Ciera's full list of standard features that include: room for six, rack-and-pinion steering, power front disc and rear drum brakes, 2.5-liter electronically fuel-injected Tech IV engine, MacPherson front strut suspen-

sion and your choice of Oldsmobile's three ride systems. The standard boulevard ride of Level I. The firm ride and handling of Level II and the true sports touring suspension of Level III (FE3).
When it comes to power...choose

from the many available options: power windows, six-way seats (driver's side only), steering, air, door locks, trunk-lid lock release, pulse wiper system, rear defogger and electronic Cruise Control with resume and acceleration features. Sounds good!

There's also four different Delco sound systems to choose from.
Styling, comfort, power and performance. Cutlass Ciera's quality shines everywhere. Now comes the hard part. Choosing the one you want. Good luck!

CIERA CUTLASS

*No meetings, no phones, no clocks to set...
today, you've found your private island in the sun.
A million miles from where you've been, and a million miles from where you
have to be. You've promised your best and given them your all.
It shows. Just look at the car you chose.*

CUTLASS CIERA BROUGHAM SEDAN

CIERA CUTLASS

Your granddaddy always knew quality...

even back in the days when "iron horses" just like this one tied our country together. You know, your granddaddy would approve of our new Cutlass Ciera, too. Why he'd lean back, take a long, slow puff on his old black pipe and say, "Son, a man who works hard, buys quality, will never want for anything." Yes, your granddaddy knew exactly what he was talking about.

CUTLASS CIERA SEDAN

CIERA CUTLASS

They said, you were just another number...

but they obviously didn't know what made you tick. The "marathon"... that was your goal. And nothing was going to stop you. You sure showed them. Your style and stamina were incredible. Now they'll never forget your number or the car you drove away in.

CUTLASS CIERA S COUPE

CIERA CUTLASS

The road...

twisting and turning like an accordion for a hundred miles at a swipe. But it's your choice. You, who always had to put the pavement to the test. And test it you did, mile after relentless mile. Some of those miles, dimly remembered. Others are etched there forever. Just like the car that took you there.

CUTLASS CIERA GT SEDAN

CIERA CUTLASS

Playing to win...

has always been at the core of your existence. From high school, through college, to "that" big job, your competitive spirit has always kept you on top. Well, the same is true when it comes to the car you drive. Guess it just proves again that it pays to win.

CUTLASS CIERA GT COUPE

CUTLASS

CRUISER

It began at dawn...

*a long, hard ride full of every bit of excitement
you'd ever dreamed about. And now, with stories enough
to last you for a million fireside talks, you wrap it up
in fine fashion with the car that started it all.*

CUTLASS CRUISER BROUGHAM

Oldsmobile Quality.  Feel it.

You see, Oldsmobile is very proud of its line of Cutlass Cruisers. So much so that this year, you have two to choose from. Cutlass Cruiser and the new luxury edition, Cutlass Cruiser Brougham. Both come with 74.3 cubic feet of cargo area with the second

seat folded down and a host of standard Olds features like: power steering, power brakes, and automatic transmission, to name a few. Available features include the Level II firm ride and handling suspension system, Cruise Control, Tilt-Wheel Steering, Four-Season air conditioning and six-way

power seats (driver's side only), plus more. Also enjoy Cutlass Cruiser's full-foam bench seating, or choose the available Sierra grain leather in the seating areas on Cutlass Cruiser Brougham. Cutlass Cruisers. Now even better because there are two to choose from.

CUTLASS

CRUISER

This is what it's all about.

Being together. Away from the things you have to do. Doing the things you want to do. Laughing and loving it all. Well, that's family. And like the family wagon, you wouldn't have it any other way.

CUTLASS CRUISER

Cutlass Ciera 55/45 custom divided bench seating in dark claret leather in seating areas. Also available in dark teal blue or light saddle.

Cutlass Ciera GT bucket seats. Choose medium gray or dark claret cloth or available leather in the seating areas.

Cutlass Ciera split bench seating. Offered in elegant Bronte velour. Five colors to choose from.

Cutlass Ciera custom bench seating. Five colors to choose from in Bronte velour.

Cutlass Ciera instrument panel with new proportionate steering wheel.

Available sun roof with removable tinted glass panel. Flip up or remove for ventilation. Or just enjoy the view.

Available trunk-top luggage rack. Add style and more room with extra carrying space.

Large 15.8 cubic-foot-capacity trunk. Big enough to handle most everything you carry.

Perfect for your small personal items. Available rear storage compartment on Cutlass Ciera Coupe.

Available auto trip calculator performs like any calculator—plus features displays of time, date, trip distance, elapsed time, estimated travel time, E.T.A., mileage since fill-up and current fuel economy. Includes English/metric conversion switch.

Available lighted day/night rearview mirror with dual concealed map/courtesy lamps for undistracting convenience.

Electronic instrument cluster is available. Offers easy-to-understand digital speedometer, bar graph fuel level and engine temperature gages, low-fuel warning indicator, trip odometer, English/metric conversion switch, and turn signal indicators.

Available Rallye instrument panel cluster. Includes tachometer, trip odometer, voltmeter and temperature and oil pressure gages. Standard on Cutlass Ciera GT.

Oldsmobile Quality.  Feel it.

CUTLASS

SUPREME

*Congratulations. The mountain is yours.
Many only dream of doing what comes so easily
to you. In microseconds, you seem to float from left to right,
creating pure style in your wake. That's It! Style! The one word that
sums up everything you do and drive.*

CUTLASS SUPREME BROUGHAM COUPE

Oldsmobile Quality.  Feel it.

Quality, style and value... that's what makes Cutlass Supreme great!

And for good reason. Just look inside, and you'll see the elegant tailoring and attention to detail that have made

Cutlass Supreme one of America's favorite midsize cars.

Now enjoy deep cushioned, full-foam covered seats in thick Summit knit velour, or choose available Sierra grain leather (in the seating area). You also get cut-pile carpet that runs from door to door.

And all sorts of available power appointments like: power windows, locks, air-conditioning, trunk-lid lock release, Cruise Control and pulse wiper system, to name a few.

Plus, Cutlass Supreme offers many quality Delco sound systems for you to choose from.

You'll also enjoy that famous boulevard ride of Cutlass Supreme. It's standard. Or, if you prefer, get a tight ride

with the available Level II suspension.

The quality continues in the way this Cutlass performs on the road. Step on the gas, and get the true performance of its standard 3.8-liter V6 engine. Take control of the road with power steering and power front disc and rear drum

brakes, and all-season radial tires that hold on to the road with sure-footed attention.

Cutlass Supreme's quality and style have made it a legend.

CUTLASS

SUPREME

*Quality and integrity—without them...
you're out of business. You've seen it happen to
so many. But, count your lucky stars, your company never lost sight
of them. First-class thinkers doing a first-class job. Smart,
dependable, just like the company car you drive.*

CUTLASS SUPREME BROUGHAM SEDAN

SUPREME

CUTLASS

DuVal & Daughters

*And then, there were three...
sisters. Growing up together. Now in business
together. Working so well together. One complementing
the other. Always looking out for the other. Smart sisters,
alike in so many ways...even down to their cars.*

CUTLASS SUPREME SEDAN

SUPREME

CUTLASS

*Who would have ever thought...
that a kid from Crooked Creek, Colorado, would make it to the top
in rodeo. But then, there was always something special about you. You had a style
all your own. A way of hanging in there that others could only try and imitate.
And try they did...right down to the car you chose.*

CUTLASS SUPREME COUPE

SALON

CUTLASS

They said, "Will you consider a job in the city?" You said...

"When do I start!" The city is energy. Raw. Powerful. And for those skilled enough to tame it...it offers all kinds of special rewards. For instance: to acquire that one-of-a-kind, kind of car you've always promised yourself.

CUTLASS SALON

442

CUTLASS

"Not just good, but great!"

That's how people tend to describe you. A real one-of-a-kind achiever, taking on all comers. A standout, whose actions speak for themselves. Like your car, for instance. The one that only someone like you would drive.

CUTLASS 442

Cutlass Supreme Coupe offers available contour bucket seats upholstered in Bronte velour in four colors.

Center console cassette storage compartment keeps your music tapes handy under wraps. Standard with the available floor console.*

Cutlass Supreme custom bench seating. Upholstered in elegant Bronte knit velour. Five colors to choose from.

Sporty floor-mounted console with automatic stick shift is standard on Cutlass Salon.

Cutlass Supreme standard instrument panel with deluxe steering wheel.

*When radio with cassette player is ordered.

Available "lift-off" roof gives you the sun, fun and air of a convertible in Cutlass Supreme Coupe. Tinted tempered glass panels store in a carrying case.

Full-capacity trunk for carrying all your needs. 16.2 cu. ft. in coupe and 15.2 cu. ft. in sedan models.

Available sporty leather-wrapped steering wheel for that European grand-touring feel.

For extra attention, get the available illuminated visor/vanity mirror. Lights up when opened.

Powerful 5.0-liter V8 (307 cu. in.), 4-barrel engine with a high-energy ignition system. Available with automatic overdrive transmission.

Available Rallye instrument panel cluster includes: tachometer, trip odometer, voltmeter and temperature and oil pressure gauges.

Oldsmobile Quality.  Feel it.

CUTLASS CIERA, CUTLASS SUPREME AND CUTLASS CRUISER PAINT COLORS

Important—A word about this catalog: We have tried to make this catalog as comprehensive and factual as possible, and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this Olds catalog is available at extra cost. Your dealer has details; before ordering, you should be brought up-to-date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Olds dealer for complete information.

A word about engines: Oldsmobiles are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide. See your dealer for details. Please refer to the

"Fuel Economy Estimate Sheet" provided to your dealer for engine source and EPA mileage estimates.

A word about assembly, components and optional equipment in these Oldsmobile products: The Oldsmobiles described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups or various component divisions of General Motors and by various suppliers worldwide to GM. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Oldsmobile products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Oldsmobile products and will provide the quality performance associated with the Oldsmobile name. With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if the option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered, or if there are changes, that they are acceptable to you.

Standard occupant protection features: Manual lap/shoulder safety belts for driver and right front passenger, (driver side includes visual and audible warning system) • Manual lap safety belts at each rear seat position (and center front, when applicable) • Energy-absorbing steering column • Energy-absorbing instrument panel • Energy-absorbing front seat back tops • Laminated safety windshield glass and tempered safety side and rear window glass • Safety interlocking door latches • Passenger-guard inside door lock handles • Inertia locking, folding front seat backs on two-door models • Safety armrests • Adjustable head restraints, driver and right front passenger.

Standard accident avoidance features: Side marker lights and reflectors • Parking lamps that illuminate with headlamps • Four-way hazard warning flasher • Back-up lights • Center high-mounted stop lamp • Directional signal control with lane change feature • Windshield defroster, washer and dual speed wipers • Inside rearview mirror with vinyl-bonded glass • Outside left rearview mirror (also right side on Supreme coupes) • Brake system with dual master cylinder and warning light • Starter safety switch • Dual action hood latch system • Low-glove finish on instrument panel top, inside windshield moldings, wiper arms/blades, metallic steering wheel surfaces • Illuminated heater and defroster controls • Tires with built-in tread-wear indicators.

Standard theft deterrence features: Audible reminder for ignition key removal • Theft-deterrent steering column lock • Visible vehicle identification number.

A word about updated service information: Oldsmobile regularly sends its dealers useful service bulletins about Oldsmobile products. Oldsmobile monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.

Let's get it together... buckle up.
